Dear Friend,

As Chairman of the Republican Governors Association (RGA), I would like to invite you to join me and many of my fellow Republican governors at the 2007 RGA "Economic Growth Forum" to be held on Wednesday, April 18 in Atlanta, Georgia.

The RGA has the unique ability to provide our members with the opportunity to build meaningful relationships with Republican governors and their senior staff. I'm excited to give you the opportunity to experience these benefits first-hand in Georgia at our first forum of the year. The RGA "Economic Growth Forum" will be an innovative event that will provide RGA members with an opportunity for direct interaction with Republican governors, chiefs of staff, and other senior staff from the state offices.

I would be honored to have you serve as a member of the Atlanta Leadership Committee and our organization. The enclosed document describes the sponsorship opportunities for the Leadership Committee. Individuals and corporations who join or renew their membership with the RGA will be invited to many of our upcoming 2007 activities -- the Governors' Forums held throughout the country, the Fall Retreat held at the Ritz-Carlton Lodge, Reynolds Plantation in Greensboro, Georgia (Statesman, Cabinet and Board members only), the Fall Annual Conference held at the St. Regis Monarch Beach Resort and Spa in Dana Point, California, and other exciting events throughout the year with governors and their staff.

We will follow up with you shortly to confirm your support of the 2007 "Economic Growth Forum." In the meantime, if you have any questions, please call the RGA Finance team at 202-662-4920 or rga@rga.org.

Thank you in advance for your consideration. As always, your participation in RGA will be the key to our success. I look forward to welcoming you to Georgia in April.

Sincerely,

Sonny Perdue
Governor of Georgia
RGA Chairman
