

Is your address an **odd number**? City customers may water overnight on **Tuesday, Thursday and Sunday**. County customers may water **Sunday and Thursday**. If it is an **even number**, city customers should water on **Monday, Wednesday and Saturday** nights. County customers may water **Saturday and Wednesday**.

# When may I water?

Water restrictions in Rome and Floyd County are more generous than they were last summer, but many customers might be uncertain about when they can turn on the spigot.

**About the odd-even schedule:** Business and residential customers at odd-numbered addresses may water Tuesday, Thursday and Sunday (Sundays and Thursdays only for Floyd County customers). Those at even-numbered addresses may water Monday, Wednesday and Saturday (Saturdays and Wednesdays only in the county). Customers may water between midnight and 10 a.m. only.
