DiPrima Medical . . . Now Serving You Better!!

DiPrima Medical now has two new people on staff to better serve you. BRENDA SIDWELL, respiratory therapist, who can take care of all your C-PAP, OXYGEN, and RESPIRATORY needs. Brenda is a graduate of Coosa Valley Technical College in Polysomnography and has been a Certified Respiratory Therapist for 25 years.

CHRISTY HEARD is our mastectomy fitter. We have added a private area exclusively for post-mastectomy forms and products. Appointments not necessary. Located conveniently 1/2 mile from Floyd Medical Center. Please drop by to meet Christy; she is a breast cancer survivor herself.
